## Hello Beekeepers,

Well its that time again, when we start thinking about a new season in beekeeping. This year I will be getting our bees from C.F. Koehnen in Glenn California, They have been producing queens and package bees for over 107 years. They have two queens to choose from, *The Cordovan Italian*, they are well know for being prolific, gentle and for their rapid spring build up. and *The Carniolan*, bred for beekeepers in the cooler northern states. I have used both of these queens and I think they both do great, I also think they are some of the gentlest bees I have ever worked with. I have already placed an order with Koehnens, so please do not contact them.

Due to the high demand of honey bees and high fuel costs the prices have gone up again and are expected to sell out. We will be offering two locations for you to pick up your package bees, **WE DO NOT MAIL PACKAGE BEES**. In the North, Rhinelander WI and in the south, Waukesha WI. We are expecting the bees to come in around the 3rd or 4th week of April (Weather Permitting). To place your order fill in the form below enter the quantity of packages, Package size 2# or 3# and Queen Type. send a payment, minimum \$10 per package with the balance to be paid by April 1st, all orders after April 1st must call first and pay in full. Payable to Hansen Honey.

Thanks,  
Chris Hansen, Beekeeper
